

'Local researchers changing lives'

Professor Grant Morahan, who is advancing the global search for better treatments and tests for type 1 and 2 diabetes, will unveil the latest discoveries from the Centre for Diabetes Research at a National Diabetes Week event.

Please join us at 10am on 10th July at the Harry Perkins Institute,
6 Verdun Street, Nedlands

Diabetes Research
Western Australia

Supporting
'Hope in a Boat around Australia'
for Diabetes Research WA
(A Lions Club of Albany initiative)

Meet with the trio; Glen, Guy and Marina as they pass through Perth on their epic 80-day journey around Australia (towing a boat and trailer behind 2 Honda Goldwing motorbikes) on a quest to raise \$1m for diabetes research and make it into the Guinness World Book of Records !!

RSVP by 5th July

Ph: 9224 1006 or email: info@diabetesresearchwa.com.au

Local research. Global impact.
