NEW FUNDING ON OFFER FOR WA DIABETES RESEARCHERS

A new round of funding is available for West Australian research projects into type 1, type 2 and gestational diabetes.

Western Australia's peak diabetes research funding group Diabetes Research WA is offering two \$80,000 research grants for 2018.

One WA-based basic/fundamental research project and one WA-based clinical/ translational research project will be funded.

Projects that have not received funding in the previous round and which include an association or collaboration with an institution, or co-funding from other sources, will be considered favourably.

Research projects should be completed by December 30, 2018.

Applications open on May 1 and must be received by June 30, 2017.

They can be sent to sherl@diabetesresearchwa.com.au or Diabetes Research WA, GPO Box X2213 Perth WA 6847.

Visit www.diabetesresearchwa.com.au for further details.
