WA EXPERTS CONSIDER WHERE THE CURE FOR DIABETES IS HIDING

Western Australia's peak diabetes research funding group is hosting a free public seminar to celebrate World Diabetes Day this November.

Diabetes Research WA's event focuses on the topic '*Where is the cure for diabetes hiding and why haven't we found it?*' and will hear from a panel of local experts.

The charity will also be announcing the recipients of its 2018 diabetes research grants.

The event is on Monday 13 November from 6pm and is being held at City Farm in East Perth.

Head to diabetesresearchwa.com.au for details.

RSVP to info@diabetesresearchwa.com.au) or by calling (08) 9224 1006 by November 8.
